

# CONTENTS CONTINUED

## CASE REPORTS

- Aortic dissection in the setting of an infrarenal endoprosthesis: A fatal combination** 1121

Stephan Haulon, MD, Roy K. Greenberg, MD, Jamal Khwaja, MD, Adrian Turc, MD, Sunita D. Srivastava, MD, Matthew Eagleton, MD, Sean P. Lyden, MD, *and* Kenneth Ouriel, MD, *Cleveland, Ohio*

- Giant mediastinal bronchial artery aneurysm mimicking benign esophageal tumor: A case report and review of 26 cases from literature** 1125

Kuniyoshi Tanaka, MD, Akio Ihaya, MD, Tetsuya Horiuchi, MD, Koich Morioka, MD, Tetsuya Kimura, MD, Takahiko Uesaka, MD, Masato Sasaki, MD, Masaru Uchinami, MD, Takeshi Tsuda, MD, Narihisa Yamada, MD, Wei Li, MD, Seiya Hirai, MD, Sawaka Tanabe, MD, Yuichiro Okubo, MD, *and* Satofumi Tanaka, MD, *Fukui, Japan*

- Stent-graft detachment from aortic wall after stent-graft repair of acute aortic dissection** 1130

Noriyuki Kato, MD, Takatsugu Shimono, MD, Tadanori Hirano, MD, Masaki Ishida, MD, *and* Kan Takeda, MD, *Mie and Matsusaka, Japan*

- Blunt traumatic aortic transection: Endoluminal repair with commercially available aortic cuffs** 1132

Albert Sam II, MD, Melina Kibbe, MD, Jon Matsumura, MD, *and* Mark K. Eskandari, MD, *Chicago, Ill*

## VASCULAR IMAGES

- Explantation of an infected aortic endograft with suprarenal barb fixation** 1136

W. Charles Sternbergh, III, MD, Michael S. Connors, III, MD, *and* Samuel R. Money, MD, MBA, *New Orleans, La*

## SURGICAL ETHICS CHALLENGES

- Management of disagreements between attending and consulting physicians** 1137

James W. Jones, MD, PhD, MHA, Laurence B. McCullough, PhD, *and* Bruce W. Richman, MA, *Houston, Tex; and Columbia, Mo*

## LETTERS TO THE EDITOR

- Regarding "Subfascial endoscopic perforator vein surgery combined with saphenous vein ablation: Results and critical analysis"** 1139

Francesco Rulli, MD, *Rome, Italy*

- Reply** 1139

Jeffrey L. Ballard, MD, FACS, *Loma Linda, Calif*

- Regarding "Venous reflux repair with cryopreserved vein valves"** 1139

Raul García-Rinaldi, MD, *Mayaguez, Puerto Rico*

- Reply** 1140

Peter Neglén, MD, PhD, *and* Seshadri Raju, MD, *Jackson, Miss*
